*Thank you for the support!*

**On behalf of the Homer Hockey Association, Kevin Bell Arena and the Homer Glacier Kings 12U B Hockey Team, we welcome you to the 2024 Alaska Hockey Association State Tournament!**

There are 16 teams, 270 players and approximately 500 family members and friends, coaches and staff convening in our beautiful community in support of the common thread of youth athletics.

Homer is a flourishing maritime city offering unique activities, comfortable lodging, tasty dining, arts and culture, and fun shopping. If you're looking for something to do outside of hockey, check out the Homer Chamber of Commerce Visitor's Guide which is included in the player's gift bag.

Homer has an excellent quality of life, supported through a variety of non-profit entities. The Homer Hockey Association and the Kevin Bell Arena are two of these and none of this would be possible without the support and generosity of our patrons, business sponsors, donors and volunteers.

**So, it's with great excitement and the spirit of competition that we take the ice — let's play hockey!**

## 2024 Non-National Bound House/Recreational State Tournament Rules

ASHA maintains a Zero Tolerance Policy from all participants at State Hockey Tournaments. All associations within ASHA require players, coaches, and parents to sign code of conducts.

Please remind your association members of this and ask them to be that person in the crowd that stands out as a positive role model for all.

### A. MANDATORY COACHES AND CREDENTIALS MEETING

1. An opening meeting for all teams participating in the tournament **shall be held** prior to the start of play at a time and place to be set by the on-site Tournament Director. This will usually be the night before the tournament starts. **All participating teams are required to have a team representative as listed on their IT.** No one person may represent more than one team at this meeting unless prior approval is granted by the VP of Tournaments. **Failure to have a team representative present shall result in the suspension of the head coach, as listed on the team's official roster; from that team's first game of the tournament. For the 2024 State Tournaments this meeting may be in person or via ZOOM.**
2. No protests regarding the rosters and/or players shall be accepted after completion of the coaches' meeting for your respective tournament.
3. Teams shall declare their light and dark jerseys they will wear during the tournament games. This will allow the Host to provide pennies if needed.

### B. SCHEDULES AND FORMATS

1. All Alaska State Hockey Association (ASHA) state tournaments will be played using the current ASHA Handbook Appendix C State Tournament Format.
2. Seeding for this tournament was established using a Random Draw by the House/Rec Council. The team listed first on the schedule will be the home team in all pool play games.

### C. NUMBER OF PLAYERS

1. A maximum of twenty (20) players, including goalkeepers, shall be permitted to play in a game. The maximum number of players, excluding goalkeepers, shall not exceed eighteen (18). It is highly recommended that all teams arrive at the State Tournament with two (2) goalkeepers qualified under the rules. Teams that are unable to arrive with a backup goalie shall be permitted, with the approval of the VP of Tournaments, to use a substitute emergency goalkeeper (EBUG) using the guidelines outlined in the most current ASHA handbook (8.11.3 Goaltenders-Non National Bound). The substitute emergency goalkeeper shall only be permitted to participate in a game in the event of extenuating circumstances and with the approval of the on-site Tournament Director or ASHA VP of Tournaments.

#### D. UNIFORMS

1. All players must wear team jerseys. If a team jersey is unavailable, the player must wear a non-duplicated, numbered jersey close to his/her team color. Home teams will wear their light color jersey and visiting teams will wear their dark color jersey.

#### E. TIME OF PERIODS AND ICE CLEANING REQUIREMENTS

Class	Warmup	1,2,3 Period	Overtime*	Penalties
10U	3	12	0/8	2
12U	3	12	0/8	2
14U	3	12	0/8	2
16U	3	12	0/8	2
18U	3	12	0/8	2

\*Round-robin games may end in a tie and no overtime will be used. Games tied in quarterfinal, semifinal and championship rounds will play eight (8) minute sudden death overtime periods until a winner has been declared.

1. Each team is permitted one time-out of 60 seconds per game, whether in regulation or overtime, per the USA Hockey Playing Rules.
2. Running clock shall be used at any time during a game if a team has outscored its opponent by eight (8) goals or more with the condition that stop clock will be resumed if the trailing team scores and reduces the lead to seven (7) goals or less.
3. Ice shall be resurfaced prior to the start of each game and after the 2<sup>nd</sup> period of the 18U Championship game only. Ice resurfacing for all Cross-Over games and Championship games, will be done at the end of the 1<sup>st</sup> overtime and every two overtime periods thereafter.
4. The referees shall enter the ice before the teams for every game with two minutes remaining on the clock. The warmup clock will start as soon as the referees have completed their safety checks, put nets in place and the ice zam gates are closed.

#### F. PLAYING RULES

1. The official USA Hockey and ASHA playing rules shall be used. No protests shall be permitted on the playing rules.
2. Only team officials registered on the Team Roster (1-T) who have the appropriate certification are permitted on or in the vicinity of the playing bench, with a maximum of 4 on the bench.
3. The team captain and assistant captain(s), as noted on the score sheet are the only players permitted to discuss game issues with the referee during the progress of the game.
4. Any player/coach who receives a match penalty will be removed from the tournament and the ice arena in the tournament is being played. No exceptions to this rule are permitted.
5. Any player who receives a 5-minute major and a game misconduct under the USA Hockey for fighting shall be removed from participating as a player for the remainder of the tournament.
6. Game protests must be provided on a blank sheet of paper and must contain all the known facts. The tournament protest committee will not consider protests that are not presented in writing at the end of the game, and before distribution of the score sheet. A \$50.00 fee, made payable to ASHA, must accompany the protest. This fee is only refundable if the protest is upheld. Copies of all protests must be submitted to the Tournament Director and/or the ASHA VP of Tournaments.

7. A tournament status board will be available for each tournament at the ice arena. For the 2021 State Tournament an App may be used.
8. No lighted signs are to be hung/taped on the glass. **Obnoxious noise makers such as cowbells, foghorns, whistle, etc. are not permitted.** Balloons are only allowed if written permission is obtained from the rink management. The playing of tasteful recorded music and sounds during stoppages of play will be allowed with the permission of the VP of Tournaments.
9. Forfeits are awarded if one team has failed to appear on the ice at game time plus 5-minutes. The score of a forfeited game is 1-0. Teams that intentionally forfeit a game in a state tournament shall be disqualified from the tournament. The ASHA VP of Tournaments or her designee makes the final determination as to whether a team intentionally forfeited a game.

## Overtime Procedures for Quarterfinals, Semifinals, Championship Games

### All Games Played to a Winner

If the game is tied following regulation play, the tied teams will play eight (8) minute sudden death overtime periods until a winner has been declared. The tied teams shall receive a two (2) minute rest period. Ice shall be resurfaced prior to the start of each game and after the 2<sup>nd</sup> period of the 18U Championship game only. Ice resurfacing for all Cross-Over games and Championship games, will be done at the end of the 1<sup>st</sup> overtime and every two overtime periods thereafter. **Teams shall switch ends at the end of the third period.**

### Process to Determine Quarterfinalists, Semifinalists and/or Finalists

During preliminary rounds, each team will be awarded:

- two (2) points for a win
- one (1) point for a tie
- zero (0) points for a loss
- in Round Robin Games, ties are ties.

### Tie-Breaking Rules to Determine Standings Position

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking rules listed below. If at any point during the application of the tie-breaking rules, any or all the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin at Step 1 for any teams that remain tied.

*Note: If all tied teams have not played each other, the tie-breaking process will begin at Step 2.*

The tie-breaker rules are as follows:

1. **Step 1:** The results of only the head-to-head games played between the tied teams in the following order:
  - a. Most points earned.
  - b. Most total wins (whether in regulation, overtime, and shootout).
  - c. Most regulation wins.
  - d. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
  - e. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in each game prior to dividing (i.e., 10-1 game would use 9-1 for purposes of quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie breaker is required, the teams shall be ranked high to low in

descending order of "goals for."

f. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

2. If all tied teams have not played each other, the tie-breaking process begins at Step 2. For teams that began the tie-breaking process in Step 1, if after applying the formulas of 1 a, b, c, d, e or f the tie still exists, continue to Step 2.

**Step 2:** The results of all the games played by the teams tied in the following order.

a. Most total wins (whether in regulation, overtime, and shootout).

b. Most regulation wins.

c. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.

d. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in each game prior to dividing (i.e., 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of "goals for."

e. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

f. Lowest number of penalty minutes — Calculate the number of penalty minutes accrued during all preliminary round games. The teams shall be ranked low to high in ascending order of "penalty minutes for."

g. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.

3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

**Note:** A team may go into the tie-breaking process having defeated another of the tied teams and still not advance.

**Note:** If a team forfeits any of their games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.

### **SPECTATOR'S CODE OF CONDUCT**

- 1) Display good sportsmanship. Always respect players, coaches and officials.
- 2) Act appropriately; do not taunt or disturb other fans; enjoy the game together.
- 3) Cheer good plays of all participants; avoid booing opponents.
- 4) Cheer in a positive manner and encourage fair play; profanity and objectionable cheers or gestures are offensive.
- 5) Help provide a safe and fun environment; throwing any items on the ice surface can cause injury to players and officials.
- 6) Do not lean over or pound on the glass; the glass surrounding the ice surface is part of the playing area.
- 7) Support the referees and coaches by trusting their judgment and integrity.
- 8) Be responsible for your own safety – be alert to prevent accidents from flying pucks and other avoidable situations.
- 9) Respect locker rooms as private areas for players, coaches and officials.
- 10) Be supportive after the game – win or lose. Recognize good effort, teamwork and sportsmanship.

### **ZERO TOLERANCE POLICY**

Parents are expected to be a positive role model by treating all players, coaches, officials and fellow spectators with respect and support.

The game will be stopped by game officials when parents/ spectators displaying inappropriate and disruptive behavior interfere with other spectators or the game. The game officials will identify violators to the coaches for the purpose of removing parents/ spectators from the spectator's viewing and game area. Once removed, play will resume. Lost time will not be replaced and violators may be subject to further disciplinary action by the local governing body. This inappropriate and disruptive behavior shall include:

- 1) Use of obscene, profane or abusive language to anyone at any time.
- 2) Taunting of players, coaches, officials or other spectators by means of baiting, ridiculing, threat of physical violence or physical violence.
- 3) Throwing of any object in the spectators viewing area, players bench, penalty box or on ice surface, directed in any manner as to create a safety hazard.
